Dear Ms. Sharp,

Ohio EPA is in receipt of Team Industrial Services Inc.'s January 12, 2011 letter responding to Ohio EPA's December 21, 2010 Notice of Violation (NOV) letter. Your response provides inspection logs from February 2010 through January 2011, an updated contingency plan, a photograph of a drum funnel, and an explanation how Team Industrial Services Inc. has abated violations.

My review of your response reveals that Team Industrial Services Inc. has adequately demonstrated abatement of all violations noted in Ohio EPA's December 21, 2010 Notice of Violation (NOV) letter. Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.

If you have further questions, please feel free to call me at (937)285-6082.

Sincerely,

Brian Gitzinger  
District Representative  
Division of Hazardous Waste Management
