RE: Return to Compliance Letter – OHD017038951

Dear Mr. Evans:

In an e-mail dated March 31, 2011, Steve Bonnell submitted documentation of the completed hazardous waste training in response to Ohio EPA's February 23, 2011, notice of violation letter. My review of the training documentations reveals that Teva has abated the one remaining violation discovered during the December 15, and 20, 2010, inspections as listed below.
