Large Quantity Generator

Dear Mr. Fierro:

On February 26, 2008, Larry Dickerson and I inspected the Fierro facility located at 635 Shepherd Drive in Cincinnati, Ohio and issued a Notice of Violation dated February 27, 2008. We returned on April 14, 2008 for a Return to Compliance Inspection. **The Violation in the NOV letter has been Returned To Compliance at this time.**

Weekly Inspections are being conducted properly and recorded in an inspection log; and the Additional Items in the Notice of Violation letter were addressed appropriately. We also discussed Satellite Accumulation. Enclosed is our guidance on this subject.

Thank you and your staff for your assistance. If you have any questions, I can be reached directly at (937) 285-6594.

Sincerely,

Thomas E. Koch
Division of Hazardous Waste Management
