Dear Mr. Holycross:

Thank you for your September 2, 2008 response to Ohio EPA's August 20, 2008 letter regarding our June 13, 2008 NOV. Your response included detailed information regarding disposal of the City of Bellefontaine Street Department's hazardous waste and the Logan County Solid Waste District's pickup and transportation of hazardous waste from the Street Department in 2007. You also outlined the City's plans to switch from oil based paints to water based paints in your Street Department.

Therefore, The City of Bellefontaine has **abated** the **all violations** discovered during Ohio EPA's May 20, 2008 compliance evaluation inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-52-11, Waste Evaluation
2.	Ohio Revised Code 3734.02(F), Generator must ensure delivery of a hazardous waste to a permitted TSDF

If you have any questions, please feel free to contact me at (937)285-6091.

Sincerely,
