**Re: Return to Compliance
Odawara Automation Inc, CEG, Miami County**

Dear Mr. Spejna,

Ohio EPA is in receipt of Odawara Automation Inc.'s June 13, 2007 letter responding to Ohio EPA's June 8, 2007 letter. Your response includes a photograph of the drum funnel and a receipt for recycling lamps.

My review of your response reveals that Odawara Automation Inc. has adequately demonstrated abatement of the violation and general concern noted in Ohio EPA's April 17, 2007 Notice of Violation.

Ohio EPA's failure to list specific deficiencies or violations in this letter does not preclude Odawara Automation Inc. from having to comply with all applicable regulations. If you have further questions, please feel free to call me at (937) 285-6082.

Sincerely,

Brian Gitzinger
District Representative
Division of Hazardous Waste Management
