Re: Dayton Metal Finishing/Return to Compliance Inspection/OHD981195100

Dear Mr. Miller:

Thank you for accompanying me during Ohio EPA's September 10, 2007 RTC inspection of Dayton Metal Finishing in Dayton, Ohio. Our goal was to determine Dayton Metal Finishing compliance with Ohio's hazardous waste laws as found in Chapter 3734 of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC) and to determine which Hazardous Waste ID number was correct.

During the inspection and paperwork review Ohio EPA observed the following violations:

OAC 3745-52-34(D)(4)
Use and Management of Containers

OAC 3745-66-73(A)
Management of Containers

It appears that Dayton Metal Finishing has corrected the past violations cited on June 26, 2007.
