**RE: FORMER BILL LEWIS REPAIR SHOP
MONTGOMERY COUNTY
RETURN TO COMPLIANCE (RTC)**

Ms. Patricia Buckingham
421 E. Pease Ave.
Dayton, Ohio 45449

Dear Ms. Buckingham:

Mr. John Lemmon responded to Ohio EPA's August 27, 2009 Notice of Violation letter by submitting photos via e-mail on August 31, 2009. These photos, enclosed, document his cleanup of the used oil released to the soil near the garage on your property at 2001 Mardell Dr. in Miami Township.

I have determined (upon reviewing these photos regarding his cleanup of the soil) that the **violation** discovered during the August 17, 2009 complaint investigation, listed below, **has been abated**. Also, the complaint's allegations have been resolved.

Rule Citation
OAC Rule 3745-279-22(D), Used Oil Storage Requirements for Generators

Please call me at (937) 285-6091 if you have any questions.

Sincerely,

Pam Hull
District Representative
Division of Hazardous Waste Management
