Dear Mr. Krishna:

Thank you for your December 11, 2008 response to Ohio EPA's December 2, 2008 notice of violation letter. The documentation you submitted included a cover sheet stating that all used oil containers including the one tank have been labeled in accordance with Ohio Administrative Code Rule 3745-279-22 (C)(1).

My review of this documentation along with a December 23, 2008 return to compliance inspection I conducted with you reveals that Frank Z Chevrolet has now abated the one violation discovered during the initial November 25, 2008 inspection as listed below.

Letter Citation #	Rule Citation
A.1.	OAC Rule 3745-279-22 (C)(1), Used Oil Storage Requirements for Generators, Labels.

If you should have any questions, please feel free to contact me at (937) 285-6456.

Sincerely,

Jeffery H. Stark
