RE: Return to Compliance Letter
Interstate Ford - OHD986980274

Dear Mr. George:

On July 17, 2008, Ohio EPA issued a partial return to compliance to Interstate Ford for violations discovered during inspections on February 25, and March 6, 2008. In the return to compliance letter, I failed to include one violation abated by Interstate Ford. Based on the July 16, 2008, inspection, Interstate Ford has adequately abated the following violation discovered during the February 25, and March 6, 2008 inspections:

5. Accumulation time of hazardous waste, OAC 3745-52-34(A)(2) and (3)

If you have any questions, please call me at (937) 285-6093.

Sincerely,

Cathy L. Altman
