**RE: Kroger Store # 935 complaint**

Dear Mr. Crump:

On March 31, 2011, I received a response to Ohio EPA's March 9, 2011 Notice of Violation letter. The response was received via e-mail from Dan Rose, Maintenance Manager, Kroger Cincinnati Division. The response included documentation for the recycling of the fluorescent lamps improperly stored behind your store located at 6480 Wilmington Pike Centerville, Ohio. The documentation Mr. Rose submitted included a Bill of Lading and Certificate for Recycling from USA Lamp & Ballast Recycling, Inc.

**Based on the submitted documentation Kroger Store # 935 has abated all violations discovered during the February 23, 2011 inspection.**

Please feel free to call me at (937) 285-6070 if you have any questions.

Sincerely,

Jeff Smith  
District Representative  
Division of Hazardous Waste Management
