Re: Return to Compliance, Midwest Iron and Metal Co., Used oil, Montgomery County

Dear Mr. Frydman,

Ohio EPA is in receipt of Midwest Iron and Metal Co.'s February 11, 2011 letter responding to Ohio EPA's January 12, 2011 Notice of Violation (NOV) letter. Your response provides an explanation of how Midwest Iron and Metal Co. has abated two violations and one general concern noted in Ohio EPA's January 12, 2011 NOV.

My review of the response reveals that Midwest Iron and Metal Co. has adequately demonstrated abatement of all violations and addressed all concerns noted in Ohio EPA's January 12, 2011 NOV as well as Ohio EPA's September 22, 2011 Notice of Concern. If you have further questions, please feel free to call me at (937)285-6082.

Sincerely,

Brian Gitzinger
