Re: RTC Plating Technologies, Inc. OHD000723452

Dear Mr. Ott:

On April 8, 2009 I received your e-mail response to my February 26 notice of violation letter. Your e-mail consisted of an Excel spread sheet file and a .pdf file. The spread sheet was a summary of training topics for each employee. The .pdf file documented dates of annual training review for two employees. My review of this documentation has allowed me to conclude that Plating Technologies, Inc. has adequately demonstrated the abatement of the violation of OAC 3745-65-16(C).

Thank you for your efforts in returning to compliance. Please call me at (937) 285-6090 if there is any thing I can do to assist you in maintaining compliance with the environmental regulations of the State of Ohio.

Sincerely,

Tom Ontko
Hazardous Waste Inspector
