**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement
iSource Performance Materials- OHD004195558 ;**

Dear Mr. Mackley:

I am writing to notify you that on November 21, 2007, I received the amendments to the 2006 Hazardous Waste Annual Report for iSource Performance Materials. The amendments were requested in a partial return to compliance letter from me dated October 24, 2007. The amendments consisted of a Site Identification form and two replacement GM forms. The amendments have been processed and the violation has been abated.

Note that I corrected the quantity on GM page 2 to 2640 pounds to match what Hukill Chemical reported receiving. The source code and form code were blank and I entered G11 and W211, respectively.

I suggest that you file this letter with the facility's Annual Report records in case there are any questions during an inspection. The 2007 Annual Report is due March 1, 2008. If you have any questions, please call me at 614-644-2923 or send an email to paula.canter@epa.state.oh.us.

Sincerely,
