Financial Record Review  
Return to Compliance**

Dear Mr. Simmons:

On October 28, 2009, I completed a review of the financial assurance documentation you submitted in response to my September 25, 2009 Notice of Violation letter for the RANCO Incorporated's (RANCO) Ohio facilities referenced above. I evaluated the facilities for compliance with post-closure requirements set forth in the Ohio Administrative Code (OAC) rules 3745-55-44 and 3745-55-45.

To demonstrate compliance with post-closure rules, RANCO uses a corporate guarantee. The most recent financial assurance documentation received by the Ohio EPA includes: 1) A corporate guarantee from Siebe Inc. for \$1,277,000 and 2) A post-closure cost estimate, dated August 12, 2009, for the Delaware facility and the Plain City facility.

Upon review of the financial assurance documents currently on file, RANCO has returned to compliance for the OAC 3745-55-44(B) violation cited in my September 25, 2009 letter.
