Financial Record Review  
Return to Compliance**

Dear Mr. Simmons:

On October 28, 2009, I completed a review of the financial assurance documentation you submitted in response to my September 25, 2009 Notice of Violation letter for the RANCO Incorporated's (RANCO) Ohio facilities referenced above. I evaluated the facilities for compliance with post-closure requirements set forth in the Ohio Administrative Code (OAC) rules 3745-55-44 and 3745-55-45.

To demonstrate compliance with post-closure rules, RANCO uses a corporate guarantee. The most recent financial assurance documentation received by the Ohio EPA includes: 1) A corporate guarantee from Siebe Inc. for \$1,277,000 and 2) A post-closure cost estimate, dated August 12, 2009, for the Delaware facility and the Plain City facility.

**Upon review of the financial assurance documents currently on file, RANCO has returned to compliance for the OAC 3745-55-44(B) violation cited in my September 25, 2009 letter.**
