**Re: Hazardous Waste Permit Modification
Class 1A
Approval
Cytec Industries Inc.
OHD004341509/04-84-0023**

Dear Mr. Marek:

On April 2, 2008, Ohio EPA received a request for a Class 1A (Class 1 requiring prior approval) hazardous waste permit modification (tracking number – 080402-1A-1) from Cytec Industries Inc. With this letter, Ohio EPA approves the above-referenced Class 1A modification submitted pursuant to Ohio Administrative Code (OAC) Rule 3745-50-51. The Ohio Hazardous Waste Permit violations (Permit Conditions A.27(b)(i)(ii) and B.36 and B.37) cited in Tina Jennings' January 28, 2008 financial assurance letter has been abated with this letter.

The following modification has been made to your June 18, 2004, Ohio Hazardous Waste Facility Installation and Operation Permit. Also, the records of Ohio EPA have been changed accordingly:

The annual update to the financial assurance requirements for closure/post-closure and liability, including revisions to the financial assurance mechanism.

Attached is a copy of the permit application revisions. This has been included to ensure that all involved parties have written confirmation of the changes*.

If you have any questions concerning this action, please contact Scott Bergreen at (740) 380-5288.

Sincerely,

Craig Butler
District Office Chief
