**Re: Notice of Violation of the Annual Hazardous Waste Report Requirement / Return to Compliance
Dominion East Ohio Gas - OHD020632808**

Dear Mr. Will:

The Division of Hazardous Waste Management (DHWM) received Dominion's 2005 Hazardous Waste Annual Report on November 30, 2006, and amendments on December 14, 2006. This report was due on March 1, 2006. Because Dominion was in fact a Large Quantity Generator during 2005 and did not submit the Hazardous Waste Annual Report by the due date, Dominion was in violation of Ohio Administrative Code (OAC) Rule 3745-52-41. This rule requires a generator who ships any hazardous waste off-site to prepare and submit to Ohio EPA an Annual Hazardous Waste Report and to describe the type and amounts of waste generated and shipped off-site in the previous calendar year.

The violation has been abated with the receipt of the report. If you have any questions concerning the annual report requirements, you can reach me at (614) 644-2954 or tammy.heffelfinger@epa.state.oh.us.

Sincerely,

Tammy Heffelfinger
