Financial Assurance  
**Notice of Violation**

Dear Mr. Pryor:

On January 6, 2011, I completed a review of the financial assurance documentation file for the Linde Hydraulics Corp.'s (Linde) facility referenced above. I evaluated your facility for compliance with financial assurance and liability requirements set forth in OAC rules 3745-55-42, 3745-55-43 and 3745-55-47.

The latest financial assurance documentation received by Ohio EPA includes:

- A closure cost estimate for \$85,151 presented by EnSafe, Inc. dated September 28, 2008;
- Irrevocable Standby Letter of Credit (LOC) No. 63663618 from Citibank, N.A. issued in the amount of \$150,000.00 received on December 17, 2008; and
- A Hazardous Waste Facility Certificate of Liability Insurance issued by Indian Harbor Insurance Company for policy No. PEC0028995. The policy has a limit of \$1,000,000 per occurrence with a \$2,000,000 annual aggregate. The policy has an effective date of August 13, 2009.

**Based upon review of the documentation noted above, Linde is in violation of the following Ohio financial assurance requirement(s):**

**OAC rules 3745-66-43; Linde still needs to establish a standby trust agreement in conjunction with your LOC. To abate this violation, please submit a Standby Trust Agreement as soon as possible.**
