Re: **Notice of Violation of the 2006 Hazardous Waste Annual Report Requirement**
Ohio Precious Metals - OHD081319980

Dear Mr. Oakley:

The Division of Hazardous Waste Management has received your 2006 Hazardous Waste Annual Report on February 16, 2007. My review of this report shows that it is not complete. Ohio Administrative Code (OAC) Rule 3745-52-41 requires a generator who ships any hazardous waste off-site to prepare and submit to Ohio EPA a Hazardous Waste Annual Report and to describe the type and amounts of waste generated and shipped off-site in the previous calendar year. Because your submittal does not contain data required by the rule, you are in violation. Please see the reverse side of this letter for the specific information that is missing from your report.

To abate the violation of OAC Rule 3745-52-41, you must follow the instructions pertaining to your particular violation within 30 days of receipt of this letter. You should have on file the manifest records necessary for completion of the reports. OAC Rule 3745-52-40 requires generators to keep a signed copy of each manifest for a period of at least three years from the date the waste was accepted by the initial transporter. I will send a letter acknowledging receipt of the amendment after I review and process it. DHWM recommends using the free software to complete the reports to reduce the occurrence of errors in the data submitted. If you have questions concerning the annual report requirements, you can reach me at (614) 644-2954 or tammy.heffelfinger@epa.state.oh.us.

Sincerely,

Tammy Heffelfinger
Annual Report Coordinator
Regulatory and Information Services
Division of Hazardous Waste Management

Violation OAC 3745-52-41(A)(4) Transporter Information

Ohio Precious Metals has not identified any transporters of hazardous waste in the 2006 Annual Report, although you report shipping hazardous waste off-site. Both receiving facilities and transporters need to be clearly identified on the Off-site Information (OI) Form with the appropriate boxes checked. Please submit an amended OI Form with all transporters of hazardous waste, and all initial receiving facilities listed and identified. You can mail, fax, or scan the completed form and e-mail it to me.
