Return to Compliance

Dear Mr. Datillo:

On August 20, 2009, I completed a review of the financial assurance documentation file for the Chemical Solvents, Inc. (CSI) facility referenced above. I evaluated your facility for compliance with financial assurance requirements set forth in the Ohio Administrative Code (OAC) rules 3745-55-42, 3745-55-43 and 3745-55-47. In addition, I evaluated the facility for compliance with its Ohio Hazardous Waste Part B Permit Conditions B.36. thru B.38.

To demonstrate compliance with the financial assurance rules, CSI uses Irrevocable Standby Letter of Credit (LOC) No. SCL006092 with National City Bank and a Standby Trust Agreement. To demonstrate compliance with liability requirements, CSI uses a Hazardous Waste Facility Certificate of Liability Insurance for American Specialty Lines Insurance Company policy No. PLS2446649 with an effective date of July 1, 2008 – July 1, 2011.

On April 13, 2009, National City Bank submitted .an amendment to LOC SCL006092 increasing the amount to \$439,744.70. On April 21, 2009, CSI submitted a Hazardous Waste Facility Certificate of Liability Insurance for policy #PLS2446649. On April 21, 2009, CSI also submitted an updated closure cost estimate for \$439, 622.58. **With these submittals CSI has returned to compliance for the following violations cited in my March 25, 2009 letter.**
