**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement
(Portage Plating - OHD981001217)**

Dear Mr. Poston:

I am writing to notify you that yesterday I received the 2006 Hazardous Waste Annual Report for Portage Plating. The report was requested in letters from me dated August 22, 2007, and October 26, 2007. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

I suggest that you file this letter with the facility's Annual Report records in case there are any questions during an inspection. If more than 2200 pounds of hazardous waste is generated in any one month in the future, an Annual Report will be required for that year. If you have any questions, please call me at 614-644-2923 or send an email to paula.canter@epa.state.oh.us.

Sincerely,

Paula Canter
