**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement
Quala Systems Inc. - OHD987049681**

Dear Mr. Derr:

I am writing to notify you that yesterday I electronically received the 2006 Hazardous Waste Annual Report for Quala Systems Inc. The report was requested in letters from me dated October 3, 2007, and November 29, 2007. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

Note that the date Quality Carriers became the owner was left blank on the Site Identification form. This information is required and I entered 8/28/1998, copied from the previous 2003 Annual Report.

The 2006 report is the first that Ohio EPA has received since the 2003 submission. If Quala Systems generated more than 2200 lbs in any one calendar month during 2004 or 2005 (or more than 2.2 lbs of acute hazardous waste), a report should have been filed for that year. Based on the 2003 submission, Quala Systems is listed as Large Quantity Generator in the federal RCRAInfo database.

I suggest that you file this letter with the facility's Annual Report records in case there are any questions during an inspection. If you have any questions, please call me at 614-644-2923 or send an email to paula.canter@epa.state.oh.us.

Sincerely,
