**Re: Return to Compliance - 2006 Hazardous Waste Annual Report Requirement  
(R & L Carriers - OHR000024018)**

Dear Mr. Krisa:

I am writing to notify you that today I received the 2006 Hazardous Waste Annual Report for R & L Carriers. The report was requested in letters from me dated August 22 and October 11, 2007. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

I suggest that you file this letter with the facility's Annual Report records in case there are any questions during an inspection. For your future reference, please note that some of the GM pages could have been combined into one because the waste description, waste code, source code, and form code were all the same. An example would be the sulfuric acid reported on Form GM pages 5 and 7. If you have any questions, please call me at 614-644-2923 or send an e-mail to [paula.canter@epa.state.oh.us](mailto:paula.canter@epa.state.oh.us).

Sincerely,

*Paula Canter*

**NOTICE:**

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.
