**Re: Return to Compliance - 2005 Hazardous Waste Annual Report Requirement
Former Marion Engineering Depot, OHR000029033 .**

Dear Mr. Brancato:

I am writing to notify you that today I received the 2005 Hazardous Waste Annual Report for the former Marion Engineering Depot which was completed by MWH Americas. This report was requested in letters from Ohio EPA dated July 24, 2006, and October 16, 2008, indicating that the Division of Hazardous Waste Management had not received a report for the Depot for 2005. The report has been processed and entered into Ohio EPA's Annual Report database. The violation has been abated.

I suggest that you file this letter with the Annual Report records in case there are any questions in the future. If you have any questions please call me at 614-644-2923 or send an e-mail.

Sincerely,

Paula Canter
