**Re: Notice of Violation of the Annual Hazardous Waste Report Requirement / Return to Compliance
Advanced Recycling Systems Inc - OHR000115899**

Dear Mr. Pallotta:

The Division of Hazardous Waste Management (DHWM) received Advanced Recycling's 2006 Hazardous Waste Annual Report on May 7, 2007. This report was due on March 1, 2007. Because Advanced Recycling was in fact a Large Quantity Generator during 2006 and did not submit the Hazardous Waste Annual Report by the due date, Advanced Recycling was in violation of Ohio Administrative Code (OAC) Rule 3745-52-41. This rule requires a generator who ships any hazardous waste off-site to prepare and submit to Ohio EPA an Annual Hazardous Waste Report and to describe the type and amounts of waste generated and shipped off-site in the previous calendar year.

The violation has been abated with the receipt of the report. If you have any questions concerning the annual report requirements, you can reach me at (614) 644-2954 or tammy.heffelfinger@epa.state.oh.us.

Sincerely,

Tammy Heffelfinger
Annual Report Coordinator
Regulatory and Information Services
Division of Hazardous Waste Management
