Dear Mrs. Miller:

Thank you for your July 27, 2007 response to Ohio EPA's June 28, 2007 Notice of Violation Letter (NOV). You submitted pictures demonstrating that containers of hazardous waste have been properly labeled and the spent shot on the floor has been cleaned up.

Based upon my review of this documentation, Akron Brass Company has adequately addressed the following violations discovered during the June 8, 2007 inspection.

1. Labeling Hazardous Waste Container, OAC 3745-52-34 (C)(1)(b)
2. Maintenance and Operation of Facility, OAC 3745-65-31

Should you have any questions, please feel free to call me at (330) 963-1272.

Sincerely,

Nyall McKenna
