Dear Mr. Ward:

On May 10, 2010, the Ohio Environmental Protection Agency (Ohio EPA) received All Erection and Crane's response to the Agency's April 30, 2010 Notice of Violation letter. The facility submitted photographs of used oil containers, a copy of the emergency posting, and addressed Ohio EPA's concerns.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the April 15, 2010 inspection.

Should you have any question, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at:
