**RE: AMERICAN BRONZE CORPORATION  
OHD 004 183 182  
LARGE QUANTITY GENERATOR  
CUYAHOGA COUNTY  
NOTICE OF VIOLATION/RETURN TO  
COMPLIANCE**

Mr. Josh Goldstein  
American Bronze Corporation  
2941 Broadway Avenue  
Cleveland, Ohio 44115

Dear Mr. Goldstein:

On April 6 and 18, 2011, the Ohio Environmental Protection Agency (EPA), Division of Hazardous Waste Management (DHWM), conducted a compliance evaluation inspection at American Bronze Corporation, 2941 Broadway Avenue, Cleveland, Ohio. We inspected American Bronze to determine its compliance with Ohio's hazardous waste laws as found in Chapter 3734. of the Ohio Revised Code (ORC) and Chapter 3745 of the Ohio Administrative Code (OAC). American Bronze was represented by you and Gerald Goldstein and the Ohio EPA was inspected by Paul Dolensky and me.

American Bronze is a foundry that manufactures brass castings for the plumbing industry and plaques and vases for cemeteries. Hazardous waste foundry sand and bag house dust (shot blast) is shipped off site as a D008 waste. Foundry sand not heavily contaminated with lead is treated per the waste analysis plan and is shipped to a landfill as a non hazardous waste. Furnace bag house dust is sold for its zinc content. Scrap metal is recycled. A paint booth was recently installed for a painting the plaques and vases. Waste has not yet been generated from the paint booth.

No violations of the universal waste rules and the used oil rules were noted during this inspection. The following violation of the hazardous waste rules was noted during this inspection. I have enclosed copies of the inspection checklists for your records.

**1. Ohio Administrative Code 3745-65-16(C). Annual employee refresher training for persons who manage hazardous waste.**

The last record of employee annual hazardous waste refresher training was in April 2008. You were unable to provide me the records for training in 2009 and 2010.

This violation was abated the second day of the inspection when you provided me an outline of the hazardous waste refresher training that was given on April 15, 2011, and a list of the employees who attended the training. No further action is required by American Bronze.

Mr. Josh Goldstein

Ohio EPA's failure to list specific deficiencies or violations in this letter does not relieve your company from having to comply with all applicable regulations.

You can find copies of the rules and other information on the hazardous waste division's web page at <http://www.epa.state.oh.us/dhwm>. Ohio EPA also has helpful information about pollution prevention at the following web address: <http://www.epa.state.oh.us/opp>.

On April 18, 2011, the Division of Hazardous Waste Management and the Division of Solid and Infectious Waste Management combined to form the Division of Materials and Waste Management. The former Division of Hazardous Waste Management created an electronic news service to provide you with updates related to hazardous waste activities in Ohio. You can find more information and sign up for this free service at the following Web link: <http://ohioepa.custhelp.com/cgi-bin/ohioepa.cfg/php/enduser/doc.serve.php?2=subscriptionpage>.
