**RE: BARKER PRODUCTS, INC., OHD 070 763 339, CUYAHOGA COUNTY, RCRA/LQG,
COMPLIANCE EVALUATION INSPECTION, RETURN TO COMPLIANCE.**

Dear Mr. Gallagher:

Thank you for your May 5, 2009 response to Ohio EPA's April 7, 2009 Partial Return to Compliance letter. You submitted information and documentation including:

- A Certificate of Completion dated May 5, 2009, demonstrating that Elba Wade has completed an online course for RCRA Hazardous Waste Management for Generators.

My review of this documentation reveals that Barker has adequately abated the following hazardous waste violation cited in Ohio EPA's February 24, 2009 NOV letter and is hereby returned to compliance.

OAC 3745-65-16(A) Personnel training

Failure to list specific deficiencies in this communication does not relieve Barker from the responsibility of complying with all applicable hazardous waste regulations. This letter does not relieve Barker from liability for any past or present violations of the state's hazardous waste laws.

Should you have any questions, please feel free to call me at (330) 963-1181.

Sincerely,

Suzanne Prusnek
Environmental Specialist
Division of Hazardous Waste Management
