Mr. Mitch Brouman, Environmental Manager
Beazer East, Inc.
One Oxford Center, Suite 3000
Pittsburgh, PA 15219

Dear Mr. Brouman:

On December 4, 2008, Ohio EPA received a response from Mr. Neale Misquitta (Key Environmental, Inc.) that addressed violations identified in Ohio EPA's November 3, 2008 letter. The response included an updated contingency plan and plan transmittal documentation for the Beazer East (former Koppers Company, Inc.) facility located at 1359 Logan Avenue in Youngstown. Review of the information provided indicates that all identified violations of the November 3, 2008 letter have been abated.

Should you have any questions, please feel free to call me at (330) 963-1146

Sincerely,

Ron Shadrach
