Bekaert Corporation

Dear Ms. Morris:

This letter acknowledges receipt on May 5, 2011, of correspondence dated May 2, 2011, from Otto Simmerman. That correspondence responded to Ohio EPA's NOV letter dated April 21, 2011.

My review of the documentation provided by this correspondence, which included a copy of the weekly inspection logs for April for the hazardous waste accumulation area at Dock #1, indicates that Bekaert Corporation has adequately demonstrated abatement of the following violations from the April 14, 2001 inspection cited in my letter of April 21, 2011, specifically:

1. **OAC Rule 3745-66-74 Weekly Inspections of Hazardous Waste Containers.**
2. **OAC 3745-273-13(D)(1) Small quantity handler must contain lamps in proper containers or packaging and containers or packaging must be closed.**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk  
Environmental Specialist  
Division of Materials and Waste Management
