Dear Mr. Yoder:

Thank you for your November 8, 2010, response to Ohio EPA's October 28, 2010, Notice of Violation letter. The documentation you submitted included a photograph showing the used lamp box is now properly labeled. It also included your statement that Berlin Wood Products has changed how it manages waste lamps and used oil and will be recycling both, the used lamps on no less than an annual basis.

My review of this document reveals that Berlin Wood Products has now abated the violations discovered during my October 19, 2010 compliance inspection, as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-273-14(E), Universal Waste Lamp Labeling
2.	OAC Rule 3745-273-15(A), Universal Waste Accumulation Time
3.	OAC Rule 3745-279-71(A)(B), Prohibitions on Used Oil Fuel Marketers

Should you have any questions, I may be reached at (330) 963-1231. You can find copies of the rules and other information on the division's web page at: <http://www.epa.state.oh.us/dhwm/>.
