Dear Mr. Perrino:

Thank you for your October 29, 2010 response to Ohio EPA's September 14, 2010 Notice of Violation letter. The documentation you submitted included digital photos of the labeled used oil tanks.

My review of this documentation reveals that Bertin Steel Processing has now abated the violation discovered during the August 31, 2010 inspection as listed below.

Bertin Steel Processing should continue to work with Dan Bogoevski to abate the storm water violations cited in his September 28, 2010 Notice of Violation. If you should have any questions, please do not hesitate to contact me at (330) 963-1163 or [paul.dolensky@epa.state.oh.us](mailto:paul.dolensky@epa.state.oh.us).
