Dear Mr. Gromada:

On April 27, 2010, the Ohio Environmental Protection Agency (Ohio EPA), Division of Hazardous Waste Management, received Boardman Steel's response to the Agency's February 2, 1010 Notice of Violation letter. The facility submitted a copy of a hazardous waste manifest demonstrating all hazardous waste was removed from the facility.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the January 13, 2010 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at: <http://www.epa.ohio.gov/dhwm>

Sincerely,

Wade Balsler  
District Representative  
Division of Hazardous Waste Management
