NOTICE OF VIOLATION

Mr. Jim Connee

BP Pipelines (North America) Inc.

Canton, OH 44691

Dear Mr. Connee:

Thank you for your November 7, 2007 response to Ohio EPA's June 21, 2007 Notice of Violation letter. You submitted documentation including photo's of labeling a used-antifreeze and used oil fill locations.

My review of this documentation reveals that BP's Canton Terminal has adequately demonstrated abatement of all violations discovered during our June 11, 2007 inspection.
