200 East Wood Street

Dear Mr. Meranto:

This letter acknowledges receipt on September 15, 2011 of an email from William Christofil responding to Ohio EPA's Notice of Violation (NOV) letter dated June 9, 2011.

My review of the documentation provided by this correspondence, which included a photo of the used oil sign near the inlet pipe to the underground storage tank, indicates that Choffin Career and Technical Center has adequately demonstrated abatement of the following violation from the May 25, 2011 inspection cited in my letter of June 9, 2011, specifically:

1. **OAC 3745-279-22(C)(1) Fill pipes to underground storage tanks holding used oil must be labeled with the words "Used Oil"**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.

Sincerely,

Neil J. Wasilk
