RE: CON-WAY FREIGHT

Mr. Joseph Fyda  
Con-Way Freight  
12901 Snow Road  
Parma, OH 44130

Dear Mr. Fyda:

On June 20, 2008, the Ohio Environmental Protection Agency (Ohio EPA) received Con-Way Freight's (Con-Way) response to the Agency's May 28, 2008 Notice of Violation letter. Follow-up documentation was also submitted by Con-Way on July 8, 2008.

In response to the violations, Con-Way submitted a response to each violation along with the following documentation: photographs of waste containers and emergency equipment, inspection logs, training documentation, and contingency plan information.

Ohio EPA's review of this documentation reveals that Con-Way has adequately demonstrated abatement of all violations discovered during the May 16, 2008 inspection.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balser  
District Representative  
Division of Hazardous Waste Management
