Conn-Selmer, Inc.

Eastlake, OH 44095

Dear Mr. Stone:

On January 12, 2009, the Ohio Environmental Protection Agency (Ohio EPA), Division of Hazardous Waste Management, received Conn-Selmer's response to the Agency's December 10, 2008 Notice of Violation letter. Conn-Selmer submitted: documentation indicating the wet polish solids are recycled; completed inspection records; photographs demonstrating universal waste is placed in closed containers; and waste profiles.

Ohio EPA's review of this documentation reveals that Conn-Selmer has abated all violations found during the November 20, 2008 inspection.

Should you have any questions, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler
District Representative
Division of Hazardous Waste Management
