Dear Mr. Mackall:

On February 25, 2010, we received additional documentation from you regarding hazardous waste training in response to our January 19, 2010 notice of violation letter. The response included sign-in sheets for contingency plan training and other safety training provided on February 24, 2010. The sign-in sheets documented that John Tirbaso, the primary emergency coordinator, has received the training. Therefore the final remaining violation from our July 16, 2009 inspection has been abated.

If you should have any questions related to this letter, please do not hesitate to contact me at (330) 963-1226 or via e-mail.

Sincerely,

Sheryl K. Slone, P.E.
District Engineer
Division of Hazardous Waste Management
