**RE: OHD050388040, ASHTABULA COUNTY, RCRA/LQG, RETURN TO COMPLIANCE**

Dear Mr. Murtha:

Thank you for your September 1, 2011 response to Ohio EPA's August 3, 2011 Notice of Violation (NOV) letter. You submitted information and documentation including:

- A copy of the updated Emergency Contact list from the facility contingency plan which includes the home addresses of employees qualified to act as emergency coordinators.
- A copy of the list of emergency equipment from the updated contingency plan.

My review of this documentation reveals that CSP has satisfactorily abated the following state hazardous waste violations cited in Ohio EPA's August 3, 2011 NOV, and is hereby returned to compliance:

**OAC Rule 3745-65-52 (D)(E) Content of contingency plan**

Failure to list specific deficiencies in this communication does not relieve CSP from the responsibility of complying with all applicable hazardous waste regulations. Should you have any questions, please feel free to call me at (330) 963-1181.

Sincerely,

Suzanne Prusnek
