RETURN TO COMPLIANCE

Mr. Shawn Danks
Cubbison
380 Victoria Road
Youngstown, OH 44515

Dear Mr. Danks:

The Ohio EPA received your responses by email on April 2, 2008, and via regular mail letter on May 16, 2008, to a Notice of Violation letter dated March 31, 2008, for violations identified at the Cubbison facility. Your responses included: information regarding the emergency coordinator and contact information, emergency preparedness and training, required equipment, testing and maintenance of equipment, satellite accumulation, records of inspections, used oil labeling, and universal waste lamp labeling and dating. On June 26, 2008, Ohio EPA received information that indicates employees responsible for the management of hazardous waste were provided RCRA training.

Based on review of the submittals, Cubbison has adequately abated all violations identified during the March 11, 2008 CEI at the 380 Victoria Road, Cubbison facility.

If you have any questions, you may contact me at (330) 963-1146 or at:

Sincerely,

Ron Shadrach
