Dear Mr. Waldemarson:

On August 26 and September 22, 2010, the Ohio Environmental Protection Agency (Ohio EPA) received the Cuyahoga Heights Service Center's response to the Agency's July 27, 2010 Notice of Violation letter. The facility submitted photographs of universal waste lamps and a hazardous waste manifest documenting the off-site disposal of three 55-gallon drums.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the June 20, 2010 inspection.

Should you have any question, please feel free to call me at (330) 963-1278.

Sincerely,

Wade Balsler
District Representative
Division of Hazardous Waste Management
