Dear Mr. Gardner:

Thank you for your correspondence received on December 29, 2009 responding to Ohio EPA's NOV letter dated November 19, 2009.

Cylinders & Valves submitted documentation consisting of shipping papers for used fluorescent lamps.

My review of this documentation indicates Cylinders & Valves has adequately demonstrated abatement of the violations from the November 17, 2009 inspection cited in my letter of November 19, 2009, specifically:

**OAC 3745-273-14(E) Small quantity handler must label unit holding universal waste lamps.**  
**OAC 3745-273-273-15(C) Small quantity handler must have demonstration for length of accumulation time.**

Should you have any questions regarding this letter, please contact me at (330) 963-1165.
