Dear Mr. Smith:

On August 25, 2008, I sent you a letter that required a written response from you regarding the concern and violation found during my August 20, 2008 inspection of D and R Auto located at 406 West State Street, Salem, Ohio. We also discussed this on the phone on September 25, 2008, and you told me you would send a response letter. I have not received a letter from you. I need the following from you:

- 1) Please call Phillips Environmental and obtain a copy of the manifest for the most recent pick up of hazardous waste and then send a copy of it to me.
- 2) Please label your drum of used oil and send documentation of that to me.

A copy of the August 25, 2008 letter is enclosed. If you do not respond, then I will need to do a follow up inspection and/or escalated enforcement.

You can find copies of the regulations and other information on the Division of Hazardous Waste Management web page at <http://www.epa.state.oh.us/dhwm/>.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
