Dear Mr. Walters:

On November 6, 2008, I returned to Dave's Auto Body located at 9270 Valley View Road, Macedonia, Ohio, for a follow up to my August 19, 2008 inspection. I saw that the waste lamps are now stored in a cardboard box in the paint mixing room. This documents your correction of the violation of OAC rule 3745-273-13 (D) which was the only violation found during my initial inspection. I have enclosed a list which includes companies that will pick up waste lamps for recycling.

You can find copies of the regulations and other information on the Division of Hazardous Waste Management web page at <http://www.epa.state.oh.us/dhwm/>.

If you have any questions, please contact me at (330) 963-1217, or robert.almquist@epa.state.oh.us.

Sincerely,

Robert Almquist
