RE: DIE CO., INC., OHD 004 522 967, CONDITIONALLY EXEMPT SMALL QUANTITY GENERATOR, LAKE COUNTY, RETURN TO COMPLIANCE

Dear Mr. Coffee:

This letter is being written as a file follow up to a July 26, 2007 email from Ohio EPA to you documenting the receipt of compliance information. I received your July 23, 2007 email and July 30, 2007 letter submitted in response to Ohio EPA's June 20, 2007 notice of violation letter. Your email contained photos documenting the closed universal waste lamp boxes along with lamp management instructions, the waste lamp and waste battery area labels, the universal waste battery log, and the used oil label.

Die Co., Inc. has documented it's returned to compliance with the following violations noted during Ohio EPA's June 5, 2007 compliance evaluation inspection:

1. **Universal Waste Closed Container**
[OAC 3745-273-13(D)(1)]
2. **Label Unit Holding Universal Waste Lamp**
[OAC 3745-273-14(E)]
Please ensure that each unit or box is labeled.
3. **Small Quantity Handlers must Label Universal Waste Batteries/Containers**
[OAC 3745-273-14(A)]
Please ensure that each batter/container is labeled.
4. **Small Quantity Handlers must have Demonstration for Length of Accumulation** [OAC 3745-273-15(C)]
5. **Used Oil Containers and Tanks Must Be Labeled with the Words Used Oil**
[OAC 3745-279-22(C)(1)]

No response to this letter is necessary.

MR. DAVE COFFEE
DIE CO., INC.
