**RE: ELLET SIGN COMPANY, OHD 004 163 812, CESQG, SUMMIT COUNTY  
CEI, RETURN TO COMPLIANCE**

Dear Mr. Peters:

Thank you for your February 8, 2011 response to Ohio EPA's January 10, 2011 Notice of Violation (NOV). The documentation you submitted included the following:

- An explanation that you will be recycling universal waste lamps through Veolia Environmental Services and an invoice for one shipment of lamps.
- Photograph showing the used oil drums have been labeled.
- Will manage all used oil through Akron Canton Waste Oil from now on.
- An explanation that due to pollution prevention efforts, no waste was shipped off site in 2010 because very little was generated.
- A photo showing a funnel with a locking lid attached to Ellet Neon's hazardous waste accumulation drum.

Ohio EPA has reviewed your documentation and determined that it is sufficient to abate all of the violations and the concern about manifests/shipping records cited in the NOV:

1. **Hazardous Waste Determination  
OAC 3745-52-11**
2. **Used Oil Storage Requirements for Generators (Labels)  
OAC 3745-279-22(C)**
3. **Used Oil Fuel Marketer  
OAC 3745-279-70(B)**
4. **Used Oil Specification  
OAC 3745-279-72**
5. **Tracking of Used Oil to a Burner  
OAC 3745-279-74(B)**

Greg Peters, President  
Ellet Sign Company

No response to this letter is required.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Failure to list specific deficiencies or violations in this communication does not relieve Ellet Sign Company from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Sincerely,

Edward J. D'Amato  
Environmental Specialist  
Division of Hazardous Waste Management
