Dear Ms. Jamieson:

On September 3, 2010, the Ohio Environmental Protection Agency (Ohio EPA) received Enprotech Steel Services' response to the Agency's August 3, 2010 Notice of Violation letter. The facility submitted: waste evaluation information, photographs, off-site disposal records, and training documentation.

Ohio EPA's review of this documentation reveals that the facility has adequately demonstrated abatement of all violations discovered during the July 27, 2010 inspection.

Should you have any question, please feel free to call me at (330) 963-1278. You can find copies of the rules and other information on the DHWM's web page at <http://www.epa.ohio.gov/dhwm>

Sincerely,

Wade Balser
District Representative
