COMPLIANCE EVALUATION INSPECTION, RETURN TO COMPLIANCE**

Dear Mr. Bell:

Thank you for your July 7, 2008 response to Ohio EPA's Partial Return to Compliance (PRTC) letter dated June 9, 2008. Etna Products (Etna) submitted information and documentation including:

- A copy of the revised Hazardous Waste Contingency Plan.
- A distribution list and copies of cover letters regarding the submittal of the contingency plan to emergency authorities.
- Training documentation regarding the revised contingency plan.
- A copy of the revised job titles and descriptions

My review of this documentation reveals that Etna has adequately demonstrated abatement of the following violations cited in Ohio EPA's August 23, 2007 Notice of Violation letter:

OAC Rule 3745-65-52 Content of Contingency Plan

OAC 3745-65-16 (A)(B)(C) Personnel training

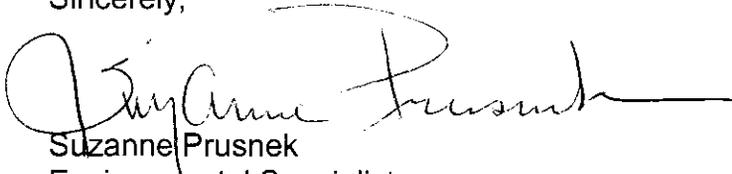

OAC 3745-65-16 (D) Job Titles and Descriptions
