RE: MAACO, OHD 982 625 832, SUMMIT COUNTY, CESQG-CEI, RETURN TO COMPLIANCE

Dear Mr. Schriver:

Thank you for your April 25, 2011 response to Ohio EPA's January 11, 2011 Notice of Violation (NOV):

The documentation you submitted included an explanation that the still bottoms from your solvent still will be disposed as hazardous waste and that you are currently evaluating quotes from two disposal companies.

Ohio EPA has reviewed your documentation and determined that it is sufficient to correct the violation cited in the NOV:

**1. Hazardous Waste Determination
OAC 3745-52-11**

No response to this letter is required.

Please feel free to contact me at (330) 963-1170 if you have any questions.

Failure to list specific deficiencies or violations in this communication does not relieve Maaco from the responsibility of complying with all applicable Ohio EPA laws and regulations. Please be advised that present or past instances of non-compliance can continue as subjects of pending or future enforcement actions.

Sincerely,

Edward J. D'Amato
Environmental Specialist
Division Materials and Waste Management
